

# Colin Quinlan

## Biography

Oshawa Community Credit Union is a trusted and innovative establishment dedicated to its community. Colin's previous experience has instilled these same three traits, making him a great candidate for the Board of Directors. At the age of 12, Colin started his first job logging in rural NFLD. With a strong work ethic and an endless thirst for growth and knowledge he now manages his own multi-million-dollar companies. Beginning in helicopter maintenance engineering, Colin learned how to produce only the utmost quality of work. Strategic decision making and innovation lead to a successful shift into real estate and investing, providing only the best for his clients and community. Many years of experience supervising and mentoring individuals from multiple professions has instilled the importance of trusting leadership and efficient communication.

As a successful Real Estate Agent, Colin is currently working with Right at Home Realty with extensive education in FINTRAC Compliance (Anti Money Laundering and Terrorist Financing), Commercial Leasing and Environmental Site Assessments. Colin is also the Owner and Project Manager of Harvey's Homes, as an International Real Estate Investor.

Colin achieved a license through Transport Canada as an Aircraft Maintenance Engineer (M1) and holds a Commercial Helicopter Pilot (CH) license. As an aircraft enthusiast Colin is also the Owner of White Pines Aviation (Helicopter Leasing Company) since 2018. Colin also has 14 years of previous work history as an Aircraft Maintenance Engineer.

In addition to Colin's education and work experience as a Real Estate Agent and in Aviation, Colin achieved certifications in Human Factors in Error Management and Fatigue Management and Human Error.
