

Hello members, I'm Nimishca Correa, the new marketing intern for Oshawa Community Credit Union.

I will be managing Oshawa Community Credit Union's social media accounts and you will be seeing me around Facebook, Instagram, Twitter as well as YouTube promoting products and responding to member questions. I will also work to improve OCCU's website in order to better direct traffic and boost member engagement.

You will also find me developing and participating in community and charitable events to support and engage with the Oshawa community. As well as designing posters, advertisements and other marketing material to help Oshawa Community Credit Union grow.
