# Report to the Membership

Like 2020, 2021 was again an astounding year filled with uncertainties. Oshawa Community Credit Union faced many challenges. However, your Credit Union, as it has historically done, has once again proven to have resiliency in remaining profitable during economic challenges.

## Financial Strength\*:

Based on Regulatory Capital, your Credit Union is the 5th strongest of 61 credit unions in the province.

## Profitability\*:

Based on our Efficiency Ratio (how much we spend to make \$1.00), your Credit Union is in the top 50% of Credit Unions in the province.

\*Most recently available Financial Statistics (2020) from the Financial Services Regulatory Authority of Ontario (FSRA).

## SUCCESSSES

### Annual General Meeting (AGM)

Considering the Stay-at-Home orders and the regulatory requirement to hold an annual AGM, your Credit Union successfully held their second virtual AGM keeping everyone safe while remaining accountable to you, our Members. Due to the current conditions OCCU is again holding the AGM virtually. We thank all members who are attending our AGM.

### Remote Account Opening and/or Document Execution

The Credit Union provided Members further convenience and safety with the launch of Yoti ID and Panda Doc, allowing members to have their financial needs met remotely through digital channels.

### LiveChat

Late in the year, the Credit Union launched another channel of communication with its LiveChat platform. On your PC, laptop, tablet etc. and from the comfort of your home you can now chat during regular business hours with one of the friendly staff you have come to know.

### **Canadian Emergency Business Account (CEBA)**

In collaboration with Exports Development Canada (EDC) and facilitated through Central 1, your Credit Union continued to participate in the various iterations of the CEBA program. We were able to accommodate business members' ability to benefit from the CEBA 5.0 (Upsizing) program. Your Credit Union channelled approximately \$1,000,000 of CEBA funding to 18 local small business Members.

### **Staff Appointments**

During the year John Remillard was formally appointed our CEO.

In recognition of Suzanne Bramham's expanded areas of responsibility, her title was changed to Credit Manager while also being appointed as our Market Code of Conduct Officer. In addition, Sarah Broderick was promoted to Member Service Representative II. Both changes are in line with our Succession Plan and lend support to the Loan Department. Sarah was also appointed as our Diversity, Equity, and Inclusion Officer. Look for more exciting changes to occur in 2022.

### **Internal Audit Services**

Late in 2020 your Audit Committee performed an RFP and, after proper due diligence, selected PRA Canada as the new Internal Auditor for 2021.

### **Growth**

We continue to experience unprecedented asset growth of over 10%, (19% in 2020). Depositors can continue to have the confidence that their deposits with the Credit Union are safe and are hard at work, with the Board electing to share some of our income as a dividend of 2.76% to Members and all Class A and Class B shares. The remaining income was added to our Retained Earnings providing a further cushion to protect our Members' deposits.

### **Social Responsibility**

National Truth & Reconciliation Day honours the lost children and survivors of residential schools, their families, and communities. Public commemoration of the tragic and painful history and ongoing impacts of residential schools is a vital component of the reconciliation process. In honour of this day, Credit Union staff all participated in a smudging ceremony followed up with a Sun Dance. Rick Bourque Indigenous Knowledge Keeper facilitated the day's events, while also providing some historical context to the ceremonies and the tragic events being commemorated.

## **CHALLENGES**

### **COVID**

The on-again off-again restrictions, while inconvenient, were very easily managed from lessons learned in 2020. A small staff contingent volunteered to be the regular on-site team while others worked from home answering phones and facilitating safe remote service and when required, curbside service.

We continued to remain "as close as your fingertips". Even many long-time members, accustomed to coming in and being greeted as family, successfully adopted alternative ways to bank. We look forward to seeing all in-person once again.

### **Historic Low-Rate Environment**

Through all of 2021, the Bank of Canada held the over-night target rate at 0.25%. So, while Credit Union income continued to be impacted, we remained profitable.

### **Committee Work/Projects**

During the year the Maintenance Committee initiated the 2020 delayed a much-needed HVAC upgrade. Now staff enjoy a more comfortable and safe work environment.

With much input from PRA Canada, our new Internal Audit firm, the Policy Committee managed and implemented many new/updated policies creating accountability and making your Credit Union stronger.

The Nominating Committee was successful in attracting two well-qualified candidates to run for your board in 2022.

The Planning & Budget Committee was also challenged in developing a realistic 2022 budget during these uncertain times and razor-sharp margins. The summarizing theme for 2022 continued to be Operational Agility.

Likewise, the Executive Committee provided close support to the management team during the year and experienced a productive and successful year in their respective area of responsibility.

During the year we also reviewed 110 loan applications valued at approximately \$22.2M. Five applications valued at \$112,500 were declined while 105 valued at \$22.1M were approved. The approvals included nine loans for a total of \$131,435, fifty-four mortgages for \$13,083,077 and forty-two home equity lines of credit for \$8,927,521.

**Your Banking,  
Your Way**

We continue to look forward to serving you in exciting new channels with new and improved electronic products and services. We also hope to see you back-in-branch in 2022 and utilizing our Technological Education & Assistance (TEA) Centre and the various devices available to learn from.

In conclusion, employees, management, and the Board of Directors collectively continue to work cooperatively and efficiently within our highly regulated framework in providing our approximately 3,600 members, with a financially strong Credit Union. As also reflected by our recent accomplishments, our commitment to new technologies coupled with our adoption of the Market Code of Conduct, we remain committed to serving our members at the highest service level possible.

All deserve financial success, and we strive to be your partner in that journey, as ultimately, your success is our success.

Respectfully,

---

Roy Vanderkwaak, Chairman

## Report from the Audit Committee

Every Credit Union has an Audit Committee whose role, in great part, is established under the Credit Unions and Caisse Populaires Act, 1994 “The ACT” and further enhanced by Financial Services Regulatory Authority of Ontario (FSRA). The Committee’s function is to assist the Board of Directors in fulfilling its oversight responsibilities and is guided by the Act and OCCU’s By-Laws, policies and procedures. The primary role is to ensure that our Credit Union is meeting all necessary Regulatory and Board imposed standards.

In 2021, the Audit Committee executed a “request for proposal” for Internal Audit services and selected PRA Canada as Oshawa Community’s new Internal Auditors. They bring a wealth of experience, fresh insights, and familiarity with credits unions across Canada to benefit OCCU.

The Committee is required to meet at least quarterly; however, we usually meet monthly, except during the summer. Our CFO, Greg Greer, and CEO John Remillard, regularly provide detailed reports on our financial results and current situation. We also meet with our Internal Auditor, PRA Canada to discuss ongoing and future reviews of OCCU’s internal controls and compliance to Regulatory guidelines. Annually, the Committee meets with our External Auditors, Tinkham LLP Chartered Professional Accountants, to discuss and then later review their audit plans and findings. We review the Draft Annual Financial Statements and present them to the Board and finally to you for approval. Although this represents an emphasis on our financial affairs, the Committee is, as mentioned above, also responsible for upholding Regulatory requirements.

I am extremely proud of the work that is being performed internally. We regularly receive excellent reports from our auditors, and they praise our staff for their hard work and ongoing due diligence. I am pleased to report that once again your credit union received an unqualified report from the Auditors for 2021. Based on the findings of both Auditors, all significant recommendations have been implemented and are in accordance with the ACT, Regulations, Audit Committee Charter and the Credit Union By-Laws. I am also pleased to advise that there continues to be no matters to bring to your attention

Respectfully submitted,

***Gil Paterson***
